High Performance Indirect Troffers Brings Your Space Elegant

It is an innovative LED luminaire designed to deliver a modern aesthetic and complement today's interior spaces, creating a soft and comfortable lighting experience for commercial and institutional spaces including open offices, classrooms, retail and healthcare facilities.

The Magic Of Floating Transparent Optics

The unique design show a nearly transparent luminaire when off and excellent uniformity and efficiency when on. When the fixture is off, the center light engine becomes transparent, and missing into the ceiling that bringing a cleaner architectural environment.

Direct & Indirect Light, Optimal Performance

Unique design with floating light engine spans the light across the bottom of the luminaries precisely controlled optimal direct indirect light distributions between the direct down to the work surface and indirect ambient.

Round Perf

It offers unique center shielding with round perf which provides uniform, low-glare illumination.

CCT & Wattage Adjustable

It is stocked with wattage & CCT adjustable, helping wholesaler lowering their stock risk while providing designers, contractors and engineers with the ultimate control of their spaces.
